World Wide Trade

Your Task: Go to the website www.indianoceanhistory.org and click on "**Maps**" on the toolbar at the top of the page. Click on the Medieval map to explore trade an exploration at this point in history. Below the map is a timeline to see how trade expanded and changed over time. The map is full of "icons" that represent map features. These icons are identified on the map key. You will choose an icon on the map, that corresponds to the map feature that goes with the column on the table, and click it. Then using the information provided you will fill in the table.

MEDIEVAL ERA
